

Crop Dividers

... with a difference

PREVENT CROP DAMAGE AND REDUCE YIELD LOSS BY UP TO 90%

With E-Kay Crop Dividers

Without E-Kay Crop Dividers

ADJUSTABLE SETTINGS

Pivoting divider arm with minimal moving parts allows adjustment for different crop conditions

EASY INSTALLATION

Low maintenance, one operator can install in minutes with its fast-attach pocket mount

TRANSPORT FRIENDLY

Crop dividers easily lift out of the way for machine transport

SPRING LOADED

Spring loaded pivoting nose cone trips over obstacles such as wash outs and lodged materials to avoid collision damage during road crossings

AVAILABLE FOR A WIDE RANGE OF SPRAYERS:
